

# Attention West Elementary School Parents/Guardian

Effective Monday, November 8, 2010, the City of West will be making Columbus Street (between Harrison and Marable St.) one way going east bound (away from the school) Monday through Friday between the hours of 7:30 am to 4:00 pm.

All traffic that parks in the far left lane on Harrison St. will be routed out through Columbus Street (will have to turn left). All other traffic (two inner lanes closest to school) will be routed out directly to Oak Street.

No parent pick-up parking will be allowed on Harrison Street between Columbus and Oak St. This will be a no parking zone so that school traffic will flow smoothly to Oak Street.

Visitors who need to come into the school at the end of the school day (2:15 to 3:15) MUST park on Columbus Street facing east. No cars will be allowed to park in front of school as this area will be for pick-up only.
